

The Tree of Life

Within our tranquil, landscaped north gardens here at Oakhaven Hospice, the 'Tree of Life' forms an integral part of this beautiful space. Crafted by Hampshire-based artist blacksmith Andy Hopper, the stylised oak tree, forged from mild steel, reaches 8' into the air creating branches from which dedicated leaves are hung.

The Tree of Life is a stunning piece of art and a lasting memorial to loved ones

Each leaf is unique and is ready for your own personalised special dedication.

When your leaf has been engraved, the Chaplains at Oakhaven would be delighted to hold a special service with you, your family and friends to place it on the tree, or you can do this separately at a time that holds meaning for you.

These beautiful leaves pay tribute to those no longer with us.

Once its time upon the tree has passed, the leaf will be returned to you in a presentation box to provide a lasting memorial for you to keep and treasure.

If you would like us to include a dedication to a loved one, we ask that you make a suggested minimum donation of £150.
