

Corporate Team Building with Oakhaven Hospice

Team building days and venue hire

Why Oakhaven?

We know it's important to have time as a team to build relationships and do some of that essential planning for your next exciting business stage. At Oakhaven we have the facilities available to host your next team building day, which includes a volunteering opportunity at the hospice.

Alternatively, if you are just looking for the perfect venue to host a meeting or corporate event we have that covered too.

The best bit is that by using our facilities you are helping us to provide care and support patients and families affected by a life limiting diagnosis across the New Forest, Totton and Waterside areas.
