Ideas and inspiration

Go crazy

Challenge yourself and get sponsored to do something different - climb a mountain, zipwire down a valley, take a daily ocean dip, run a mile a day or walk on hot coals and broken glass. The crazier the better!

Get in the kitchen

sell tickets to afternoon tea, wine tasting or a fancy dinner party. Teach a cookery class or cocktail making and leave your guests marvelling at your skills and wanting more!

Be a green god or goddess

Can you wear something green everyday for October - earrings, socks, ties, jumpers or maybe you'll prefer to go all out green?

Cleaning and clear-outs

Clean your neighbours or colleagues car, or clear out your clutter into one of our special green bags and donate it to your nearest Oakhaven shop.

Be a host

Hold a quiz, a disco, a race night, or a raffle, tell everyone you know and put the fun in fundraising!

Ideas for schools and children

Can you get sponsored to:

- Run a mile?
- Read a book a day?
- Take part in a skipathon?

Can your school:

- Host a bake sale?
- Organise a clothes swap shop?
- Host a talent show?
- Take part in 'Wear it Green' day on the 20th October?

How to create a successful event

• The Event

What can you do? Draw on your hobbies or desire to learn something new.

• The date

When will people be available? Make sure you leave yourself enough time to plan.

• The venue

Pick a suitable venue making allowances for weather, parking etc.

• The fundraising

Will it be a ticketed or sponsored event, an auction or raffle, or will you sell something?

• The awareness

Tell everyone you know, put up posters, use social media and tell Oakhaven what you are doing - we can help!

• The support

Can local businesses donate prizes or give discounts?

• The online part

Set up web based sponsorship such as Just Giving and use social media.

• The materials

We can provide you with promotional materials such as running t-shirts, balloons, bunting, leaflets, collection buckets etc

• The day

Have fun, enjoy the event you have worked so hard to create!
