## Seasonal sounds from Big Soul Ray

BACK BY POPULAR DEMAND -

Following the success of 2022, Big Soul Ray is delighted to come back and perform once again for our festive Dining Diva gathering.

Ray started singing at the age of 15 copying the Isley Brothers 'Shout' where he discovered his love of singing and performing. He went onto form and perform in various bands and had a knack for writing songs ranging from Soul to Rock. He is a seasoned session singer and works throughout the UK and Europe when he's not performing, he's writing No1 and top 10 songs for many artists.

Let Ray get your festive season started and join him for a Dining Divas like no other!
