### with guest speaker & cake artist Amanda Black

Mandy founded her company in Milford on Sea as Elmsleigh Cakes and recently rebranded as Amanda Black Cakes to reflect the individuality of her ever-evolving cake designs.

Mandy's journey has taken her from being a computer operations manager, who started making cakes for her children as a switch-off mechanism, to now becoming one of the Top Three Cake Makers in the New Forest, thanks to her talents as a baker and cake artist.

In Mandy's words, "It's been an amazing journey spanning 13 years, I'm just as passionate now about every cake I create, each one is different and brings a slice of happiness to those who receive it. How many people can truly say they really love what they do? I'm really the luckiest person. Will I ever stop? Only when my eyesight fails me, and my hands won't work!"

Join us and discover the amazing talent that is Amanda Black.
